PETERBOROUGH HERITAGE SUMMER CAMP PASSPORT PROGRAM!

The Peterborough Museum & Archives is pleased to announce a new children's passport program, in partnership with the Art Gallery of Peterborough and the Peterborough Public Library.

The **Peterborough Heritage Summer Camp Passport Program** invites children to learn more about Peterborough's heritage by encouraging registration in summer camps at each of the three partner sites.

When a child registers for a summer camp program at one of the partner sites, he or she will receive a passport. As the child registers for camp at each of the sites, he or she will have their passport stamped.

Children who return their fully-stamped passports to the Peterborough Museum & Archives by August 21, 2009 will receive a surprise treat.

This is not a mandatory program. Registration at any one venue does not imply participation in any other camp at the other two locations.

For information about available camps, visit:

- the Museum website at: www.peterboroughmuseumandarchives.ca
- the Art Gallery website at: www.agp.on.ca
- the Library website at: www.peterborough.library.on.ca
